

Dear

Happy Birthday!

I have made a donation to African Vision Malawi in celebration of your birthday.

Your gift will be used to support over 3,000 orphans and their communities in Malawi, Africa.

African Vision Malawi supports the communities through providing safe water, education, healthcare and training. The donation I made will be used at the discretion of African Vision Malawi, to be used where it is most needed, but you can be assured that every penny of the donation will be making a direct and significant difference to the lives of the people in Malawi.

*African Vision Malawi
Supporting orphans and their communities in Malawi
