

Dear

*All happy wishes for your silver wedding anniversary
I have made a donation to African Vision Malawi in celebration of your
anniversary.*

*Your gift will be used to support over 3,000 orphans and their communities in
Malawi, Africa.*

*African Vision Malawi supports the communities through providing safe water,
education, healthcare and training. The donation I made will be used at the
discretion of African Vision Malawi, to be used where it is most needed, but you
can be assured that every penny of the donation will be making a direct and
significant difference to the lives of the people in Malawi.*
